## MINUTES

Darvesha volunteers to be the deep listening coach.

### Approve Minutes of the 8 December telecon

Halima moves, Maitreya seconds, that the minutes of the 8 December telecon be approved for distribution. Passes unanimously.

### Pubs update

The entire inventory of Mansur Johnson's book *Murshid* has been shipped from the Seattle office and received by him. An agreement to give Mansur the remaining books was signed with him in November.

In addition, Munir on behalf of PeaceWorks recently signed these agreements: With Mansur Johnson, to return his negatives and photos to him. Mansur will pay the shipping.

With Sufi Ruhaniat International to give SRI the remaining PeaceWorks inventory pertaining to the Sufi lineage. A driver may have been found to pick up and drive the materials from Seattle to their new fulfillment center in Talent, Oregon, stopping in Eugene to pick up other SRI materials. SRI will pay the shipping.

To sell 5 boxes of *Wisdom Comes Dancing* to Abwoon Study Circle. Abwoon pays shipping on this and remaining Abwoon items.

With Latifa Elizabeth Muller to store 40 boxes of the *Wisdom Comes Dancing* inventory at her warehouse in Oklahoma City. Latifa is willing to store the books indefinitely and do fulfillment for large quantities. She has purchased 4 boxes of the books, which will substantially cover the entire shipping costs.

Martha is now working on fulfilling final sales orders and closing the office. We need to concentrate now on transitioning the office.

### Bylaws Revisions

Board agrees to a minor change to the objectives stated in the bylaws: "The objectives and purposes of this corporation shall be to support the work of the Mentor Teachers Guild, to support leaders of the Dances of Universal Peace, and to [delete: support and] link the worldwide community of participants in the Dances."

Kabir reviewed comments on the bylaws changes received from Farishta Karen Lindsay. Munir, Darvesha and Sky Majida have all commented and consulted with Kabir on her feedback. Kabir discussed each of her points with the Board; some were simple wording matters, others seem to be related more to the old organization rather than the new one that is being created.

## PeaceWorks International Board of Directors Minutes for January 12, 2010

One concern was the need for “checks and balances” on the Board. Board agrees that the new service orientation of PeaceWorks lessens the need for this provision. Other reasons noted for this change included that PW Inc is technically not a membership organization (so this Board is acting in the model of a traditional Board), and we are making ongoing efforts to communicate with the leadership of the DUP regions and bring them into our plan.

Another concern was the role of the Spiritual Guide of the Ruhaniat in relation to PW Inc. Although Farishta felt concerned that the role is too strong, BOD feels that because of the relationship of the Dances and the Mentor Teachers Guild to the Ruhaniat, and the new role of PW Inc, the role of the Spiritual Guide as proposed is entirely appropriate.

Allaudin moves, Darvesha seconds, that the bylaws be approved with the one change to the objectives. Passes unanimously. *Kabir will contact Farishta to have a conversation with her about her concerns.*

Kabir outlines the next steps:

*Kabir will renumber the sections of the bylaws.*

*Munir and Kabir will file notification of our change of Principal Address, and our new Agent for Service of Process, with the California Secretary of State.*

The consideration of any change in the number of Directors can be done at the annual meeting.

Board discussed ways to determine staggered terms of office for Directors. After discussion, BOD agreed that terms will be:

**Director 1** - September 22, 2009 to April 2010 plus 2 years = 2½ years  
(could be re-elected for further terms);

**Directors 2 & 3** - September 22, 2009 to April 2011 plus 2 years = 3½ years  
(could be re-elected for further terms);

**Directors 4 & 5** - September 22, 2009 to April 2012 plus 2 years = 4½ years  
(could be re-elected further terms).

Kabir moves, Halima seconds, that this amended set of terms be accepted. Passes unanimously.

Kabir suggests that these matters be taken up in the annual meeting, which could be in conjunction with the regular Board meeting in April. Board agrees. Because of travel conflicts, the second Tuesday doesn't work, so the joint annual meeting and April telecon is set for Tuesday, 20 April, 3 p.m. Mountain Time.

Darvesha and Kabir volunteer to be Directors 4 and 5, Halima as Director 1, and Allaudin and Maitreya as Directors 2 and 3. Board agrees that each director can

be elected for the remainder of their respective term at the annual meeting. There is no maximum number of terms, so anyone could be re-elected for future terms. Likewise, Board needs to know the protocol for resigning early if that becomes necessary; Kabir says that the only requirement is that the Board member must try to give notice so that there is time to recruit and elect a new Board member.

### **2010 Budget**

Munir began by noting that the draft 2010 budget has been presented to the Board members; the goals and objectives describe what we hope the budget will “buy” in terms of service.

Kabir said that he, Munir and Darvesha prepared the budget under the assumptions that we discussed at the last meeting: that we would need to draw on reserves in this first year. He noted that \$20,000 is the maximum that will be withdrawn from the reserves into operating funds in 2010. We anticipate that income from dues will remain the same from previous years, but it is quite possible it could go up. Additional sources of fundraising (on-line auction, gift solicitation, etc) have to be created in order for this budget to work. Much of this budget is a guess, as we are heading off into new territory, but Kabir feels good about it and hopeful for the future. Ideally, income will be generated to keep from dipping further into the reserves.

Kabir moves, Darvesha seconds, that the 2010 budget be adopted. Passes unanimously.

### **Leader Guild Dues**

Kabir points out that no dues amount has been officially set; he proposed that leader guild dues be set at \$30/year with provisions for low-income dues, though he doesn't know what that might be yet. Halima asked if leaders not in harmony with their region could join the Leaders Guild without joining their region. The board briefly discussed this situation. Kabir and Munir both stated that we are not now in a position to entertain allowing dance leaders residing in a region to join directly; Sky Majida points out that the North American regional Board is assuming that leaders must pay both regional and guild dues, so if this Board chooses to change that, a conversation needs to be held with that Board as soon as possible. This particular topic is tabled for the time being.

Kabir moves, Halima seconds, that Leader guild dues be set at \$30/year, with a low income provision so that no one will be turned away; a committee (Munir, Darvesha and Kabir) will determine those provisions on a case-by-case basis. Passes unanimously.

## **PeaceWorks International Board of Directors Minutes for January 12, 2010**

Board needs to discuss its broader fundraising strategy soon. *Once that is done, Darvesha will begin pulling together a committee to work on the on-line auction. This will be a sub-committee of a fundraising committee.*

### **PeaceWorks 2010 Goals and Objectives**

Munir presents the draft goals and objectives, saying that this is what will let the world know what PW Inc is doing.

Board asks if these are being translated into German and Spanish; they will be: *Darvesha will talk with Sylvia (Spanish) and Munir will talk to Alima (Germany).* Halima has a contact who might be able to translate into Russian, which reminds Munir that it is time to have a telecon with the Russian community; *Halima will look into both translation and telecon.*

Munir suggests that the MTG GC present the new MTG Guidelines in January 2010, and then PW Inc can begin working on publicizing the PW Goals and Objectives in February. Halima moves, Allaudin seconds, that the board formally adopt the 2010 Goals and Objectives. Passes unanimously. They are presented below as Appendix 1.

### **Request for Support from Oneness Project**

Munir reports that Oneness Project has approved a \$7,800 grant for his salary to PeaceWorks in 2010. OP will continue to employ Munir and pay him this amount (as salary) in 2010. In addition to his work for PeaceWorks Munir will also work 4 hours per week for Oneness Project.

### **Closing and Check Out**

Each participant offered their closing comments and thoughts, nearly all expressing excitement and anticipation regarding the work that has been accomplished. There being no further business, the meeting was adjourned.
